History Study Tour of Germany and Italy

April 2026

Calling for expressions of interest

25th July 2024

Our school is proposing to offer a study tour to Europe in the April 2026 school holidays. The 16 day itinerary will visit key historical sites and museums in Rome, the Bay of Naples, Munich and Nuremberg. Please see the attached flyer for more information.

We are planning to offer this tour through Libertas Travel, an Australian tour operator that specialises in customised syllabus study tours for schools. A representative from Libertas Travel will be presenting an information session to provide further details on this opportunity and answer any questions if there is a significant level of interest.

If you are interested in attending this information session for full details of the tour, please return the slip below before Friday 16th August 2024.

Kind regards,
