Schools are safe places for students, teachers and staff.

At all times

- All students engage with a single unit of work.
- Keep up-to-date with your school's communications to make sure you receive important messages about timetable changes.
- Any identified cases of COVID-19 will continue to be managed in line with health advice, including temporary school closures where necessary.

Learning from home

Practical resources and guides to support students are available at the department's Learning from home hub.

Schools are open for

PHASE 0

families who need it.

- Families are encouraged to keep their children at home wherever possible, with no student to be
- Students who attend school are supervised only, not in their regular classes.

turned away.

- No excursions or inter-school activities.
- Continued enhanced cleaning and hygiene supply arrangements.

PHASE 1

Students at school at least one day per week.

- · Schools have discretion for establishing which group attends on which day, with a preference to group siblings/families together.
- Families who need to send their child to school every day may continue to do so and no child will be turned away.
- Classes are split across different spaces and break times can be staggered.
- · No excursions or inter-school activities.
- Continued enhanced cleaning and hygiene supply arrangements.
