Merry Christmas and Happy New Year

Principal's Report

Mark McConville

HSC Completed

Congratulations to our students who have now completed their Higher School Certificate. We look forward to catching up at the HSC BBQ to hear about their successes.

I would like to wish our departing Year 12 students all the best for their future and I hope they are successful in their endeavours.

Presentation Evenings

Toronto High School will be conducting our Presentation Ceremony in Term 1 2017. We have decided to move the Presentation Ceremony as we have relocated the end of year exams to later in the year. This is to allow for an increase in teaching time prior to the Yearly Exams. Families will be notified early next year if their child is receiving an award.

Year 7 (2017) Information Night and Release of Classes

The Yr 7 (2017) Information Evening is being held on Wednesday 30 November in the school hall commencing at 6pm. This evening is for parents of Yr 7 (2017) students and their children to be informed of the latest information and to discover their classes for next year.

There is a change to the pattern of study that students in Yr 7 (2017) will undertake compared to previous Year 7 cohorts. Yr 7 (2017) will have the following curriculum structure:

- Humanities Class (Integrated English, Geography and History).
- 'Sciences' Class (Integrated Maths, PDHPE and Science) or Teamed Maths and Science classes.
- Integrated Sport (not a traditional sport afternoon. Sport occurs with the class PDHPE/'Sciences' teacher as a 'normal' lesson).
- No Toronto Elective Program (TEP).

Yearly Exams and PAT Testing

All students in Yrs 7 – 10 are currently undertaking standardised testing in literacy and numeracy (PAT tests) as well as their yearly examinations. These standardised tests allow the school to track student progress or growth over a 12 month period. If students are not progressing at an appropriate rate, we can identify suitable teaching structures and interventions that can be implemented in order to address the student's specific issue. It is just another way in which Toronto High School is developing students' literacy and numeracy skills base.

MADD Night & Annual Art Exhibition

On Wednesday 23 November 2016, the Creative and Performing Arts Faculty (CAPA), held their annual **MADD** night and Annual Art & Film Exhibition. Students in CAPA have been extremely busy preparing for these events over the last couple of weeks and it was great to see the results of their fine efforts. It is truly amazing the scope of talent we have here at Toronto High, from the students in art and film, music and drama, to our Sound and Lighting Crew. Each and every one of them have developed personally as well as professionally throughout the course of the year. Thank you to Mrs Fotheringham and her very capable staff for putting it all together.

BYOD

From next year, Toronto High School will be promoting 'Bring Your Own Device' (BYOD). Students will be encouraged to bring laptops/tablets/devices to use in the classroom. The emphasis will be on Yr 7 (2017) to participate in the BYOD program. However, I have received queries from families with students in other year groups – and the answer is yes! BYOD will be running across the school, it is just that we will be focussing on Yr 7 in 2017. So if your child wishes to bring a laptop or similar approved device to school for use in the classroom, they can! In fact they can now!

We invite you to visit [BYOD - Bring Your Own Device](#) on the school website for detailed information on laptops/tablets/devices.

Attendance of Students in Term 4, 2016

Students in **Years 7, 8, 9, 10 and 11** are required to attend school until Friday **16 December 2016**. School reports will be issued on Thursday 15 December. Students must be in attendance all day if they wish to receive their report. Uncollected reports will be available from the office from Friday 16 December.

First Day for Students 2017

Staff will return to school on Friday 27 January 2017 for a Staff Development Day.

Students in **Years 7, 11, 12** will return to school on **Monday 30 January 2017.**

Students in **Years 8, 9, 10** will return to school on **Tuesday 31 January 2017.**

School Uniform & Shoes

It is great to see the vast majority of students wearing the correct school uniform. The Uniform Shop will be open [Special Opening Hours](#) over the January holiday period. The [THS Uniform & Shoe Policy](#) (including types of shoes) is available on the school website so that purchases can be made for 2017. It might be noted that the Athletes Foot are part of the School Rewards Program where from every pair of shoes purchased, \$5.00 is donated back to our school. A flyer is included in this newsletter.

Student Assistance Scheme

Parents experiencing financial difficulty in meeting school expenses including subject specific fees and uniforms are invited to confidentially contact me to discuss the process. A limited amount of funds is supplied by the Government for needy families to assist with educational expenses. I encourage parents to seek this assistance.

Proudly part of the Toronto Community

Toronto HS is a proud member of the Toronto community and recently were privileged to receive donations from both the Toronto Diggers Club and the Toronto Workers Club. Monies received will be allocated for new electronic signage in our COLA area, and well as the installation of new water bubblers.

We thank the Toronto Diggers Club and the Toronto Workers Club for their continued support of our school. Thank you also to Mrs Jayne and our SRC students for their co-ordination of this project.

Merry Christmas!

I would like to wish our students, staff and families a Merry Christmas and a Happy New Year. Please enjoy the festive season with your family and friends.

Deputy Principal's Report – Yrs 7, 9 & 11

Andrew Pesle

Congratulations to all students

Year 2016 has been an eventful year for all students at Toronto High School. Yearly Examinations are now complete and students should be starting to receive their results. It is important for students to discuss their results with their teachers and ask questions so they learn from the experience. Feedback is an important part of the assessment process. Teachers should address where students did well and what they need to improve on so they can better their results in the future.

As students in Years 7 to 10 receive their academic reports at the end of the year, it is important they take the time to reflect on how they have progressed throughout the year and what strategies they can employ in 2017 in order to improve.

Reports will be issued to all Years 7 to 10 students on Thursday 15 December, the second last day of school.

Norta Norta Program

The *Norta Norta* Program provides targeted support for Aboriginal students to improve their progress in learning. The focus of the program is to provide learning assistance in the key areas of literacy and numeracy for junior students and subject specific tutoring for senior students.

This year we have been fortunate to employ the services of three very experienced and expert tutors to work with our senior students. Paula Reilly (former Deputy Principal), Robert Penglaze and Sally Lorenz have done a great job providing tuition and support for our Aboriginal students and we look forward to having them back next year to work with our students.

I would like to take this opportunity to wish our entire school community an enjoyable Christmas break.

Deputy Principal's Report – Yrs 8, 10 & 12

Evelyn Wilson-Babic (Rel.)

Attendance

Regular attendance at school for every student is essential if students are to achieve their potential. With warmer weather upon us, it may be tempting for students to have a day away however, solid and consistent attendance increases their career and life options. Schools in partnerships with parents are responsible for promoting the regular attendance of students. While parents are legally responsible for the regular attendance of their children, school staff, as part of their duty of care, record and monitor part and whole day absences. Schools, in providing a caring teaching and learning environment (which addresses the learning and support needs of students including those with additional learning and support needs or complex health conditions), foster students' sense of wellbeing and belonging to the school community.

Year 12 (2016)

For our Year 12 (2016) we have one more celebration and that's on 15 December when we invite them to return to Toronto High School to enjoy a breakfast and share their Higher School Certificate results. If you have not signed out by that date, please come prepared to sign out, ensuring that you have returned all outstanding books and equipment.

Many thanks to your Year Advisor, Mr Lindsay Muxlow for an enjoyable Formal night.

Happy Holidays

And finally, to the school holidays. It's a wonderful opportunity for our students (and parents) to enjoy time with family and to relax after a strenuous year of study. Our summer break is quite long and it is not uncommon to hear young people say that they are bored. It is this boredom that can lead them to inappropriate choices. We remind students to think before they act and be aware of issues of privacy, exposure and personal reputation around social media and technology. Be sensible when gathering with friends, follow the law around drugs and alcohol. Most of all be kind and considerate of each other, returning safely to 2017.

The Amazing Race

by Liam Garrett

On Friday the 28th October SEIL 5 and SEIL 6 from the Support Unit went to Sydney to play a game called the Amazing Race.

We caught a train from Fassifern to Circular Quay in Sydney. We split up into 2 teams and we were walking around the harbour to search for clues to find things in the game. The first team to find all the clues and to solve the puzzle won the game. The main aim of this game was to apply our Geography and History knowledge to solve clues.

On Ms Jayne's team, there was William, Riley, Matthew, Luke and myself. On Miss Milson-Black's team, there was Richell, Blake, Corey, Carey and Nicholas. At the end of the day we all had a great time and everyone had fun. Even running through Central Station and missing our train was a highlight. I would like to say a big thank you to Ms Milson-Black and Ms Jayne for taking their time to organise this excursion for us.

Kitchen One Café

A big thank you to all students and staff who have already supported Year 12 Hospitality Food and Beverage students' Kitchen One Café. This café will run at recess and lunch in FT1 every day, except sport Tuesday.

All food and drinks are made and served by hospitality students to build their skills and confidence. Kitchen One Cafés menu includes a range of coffees, hot chocolate, fruit smoothies, milk shakes, muffins, toasted sandwiches as well some special treats such as slices and cookies. In addition to our regular menu we have some exciting weekly specials!

On behalf of the SRC, I would like to thank Mrs Jayne for all of her efforts throughout the year. She has made some terrific contributions to our school and the SRC couldn't have done it without her. We are so thankful that she was always stepping outside the box to improve our school environment. Thank you Mrs Jayne!

This year the SRC has been involved in many exciting changes around the school. Some of these changes include:

- Drink bottle fillers were attached to bubblers around the school. These taps allow students to re-fill their water bottles. Just in time for the hot summer ahead! A big thank you to Toronto Diggers Club for their donation of \$2000 to make these bubblers possible.
- Handball courts were painted in two separate locations earlier this term. Students can play handball in these marked courts outside the Science labs or A block.
- An electronic sign has been ordered by our school. This sign will be placed in the canteen area in order to improve communication between students and staff. Thank you to Toronto Workers club for their donation of \$5812 which made this purchase possible.

Upcoming Events

- **Raffle tickets** will be selling this term. All proceeds go towards additional seating in the winter courtyard.

First prize - Remote control helicopter (kindly donated by the Goodwin family).

Second & Third prizes - \$50 movie card

Fourth prize - jar of jelly beans

Fifth & Sixth prize - chocolates

- **Luna Park Rewards Day**- full payment of \$50 had to be paid by 25th November. This Rewards Day is for students who have not been on a behavioural card this year, as a reward for their efforts throughout the year.

Creative and Performing Arts News

What an exciting end of the year with the CAPA Faculty working extremely hard in preparation for our annual MADD night. The night was a huge success which highlighted the variety of calibre we have at Toronto High School. Term 4 also saw the end to the HSC year with the Visual Art markers arriving and all projects finalised. CAPA students visited the Frida Kahlo and Archibald Prize Exhibition and we were lucky enough to have a visiting artist, Adrianna Picker, inspire our senior students. This term we were also privileged to have Tantrum Theatre run weekly workshops, working collaboratively with a selection of Drama students and staff.

Year 12 Showcase

On Monday 12th September Year 12 Visual Arts, Drama and Music students presented their final performances and Body of Works to family and friends, showcasing their amazing talent. Congratulations to staff and students for a wonderful afternoon.

CAPA Students of the Month

Congratulations to these amazing students who have been chosen by the Creative and Performing Arts Faculty as 'Students of the Month'. The students have excelled in their class and key learning area and we would like to acknowledge them for their outstanding efforts this term.

LEAPING INTO THE COMMUNITY

Year 7 Leap music class performed at Little Miracles Preschool to a very excited audience. The Leap class performed a specialised program with lots of interaction and storytelling. Soloists demonstrated various brass, woodwind and percussion instruments. The concert ended with lots of singing and clapping. Leap students also performed an Australian folk song which they composed in class. We're looking forward to running this concert program again next year.

Adriana Picker Workshop

On the 2nd November, Year 12 Visual Arts students were lucky to be involved in a drawing workshop with the talented Adriana Picker. Adriana was a student of Toronto High School, graduating in 2005.

Adriana Picker is a Sydney-based commercial illustrator, working across the publishing, motion picture, and advertising industries.

Adriana's clients have included Murdoch Books and Quay Restaurant – for whom she recently contributed a large body of work; illustrating Chef Peter Gilmore's second, highly anticipated book "Organum". She has also provided her talents to brands such as Absolut Vodka, Mambo, Catherine Martin's Home, Real Living Magazine and is also a regular contributor of Australian Gourmet Traveller Magazine.

Adriana has also worked as a Costume Illustrator on feature films such as Australia, Mad Max: Fury Road, Gods of Egypt, and most notably, The Great Gatsby, where her

costume illustrations were shown at the 2014 Academy Awards. Costume Designer Catherine Martin won an "Oscar" at these awards.

Tantrum Sports Group

The students in the Tantrum Theatre Sports group have been working hard under the guidance of Miss Lavis and Lucy Sheperd. The students (from Years 8, 9 and 10) are currently working to create an original piece of theatre that will be performed at the Lake Macquarie City Art Gallery during the second week of the April 2017 school holidays. The theme is 'Lake Mysteries' and will likely be a combination of Physical, Documentary and Verbatim Theatres. All students involved should be very proud of their efforts. It will be a fantastic show!
