History Study Tour of Italy, Germany and Paris

April 2024

Parent and Student Information Evening

Thank you for your interest in our proposed study tour to Europe!

The 15 day programme, set for the school holidays in April 2024, has been specifically designed for Toronto High students. The itinerary has been selected to maximise the cultural and historical experiences of students. The process of selecting these exciting sites has been guided by the expertise gathered from three previous Toronto High European Study Tours. The result is an exciting 15 day programme led by a professional team of THS staff and Libertas Travel guides.

We would like to invite both Parent/Caregivers and Students along to our information session in the Toronto High School Library hosted by Libertas Travel, Mrs Rowland, Mr Finch and Mr Slevin from the HSIE Faculty. This briefing will provide further details regarding the tour, payments and bookings, with the opportunity to ask any questions you may have.

The details of the information session are:

Date: Tuesday 21 February

Time: 6pm-7:30pm

Venue: THS Library

Kind Regards,

Kim Rowland
